### **Author Declaration of Generative AI in Scientific Writing**

In accordance with the Journal of Medical and Oral Biosciences (JMOB) ethical policies, all authors are required to disclose the use of **Generative Artificial Intelligence (AI)** tools or automated technologies in the preparation of their submitted work.

We, the undersigned authors, hereby declare that:

#### **1. AI Involvement:**

- No generative AI or automated tools were used in the writing, editing, data Analysis, figure generation, or any other part of this manuscript.
- Generative AI tools were used, specifically:

(Please specify the tool(s) used and the nature of their contribution, e.g., grammar correction, language editing, code generation, image generation, data processing, etc.)

#### **2. Author Responsibility:**

The authors take full responsibility for the accuracy, originality, and integrity of the manuscript, including all parts created or assisted by AI tools. AI-generated content has been reviewed, verified, and edited by the authors to ensure compliance with JMOB's standards and ethical guidelines.

#### **3. Ethical Compliance:**

AI tools were **not** used to fabricate, falsify, or manipulate data, images, or results, and their use complies with the principles of research integrity.

**Author's name & Signature:**
